New and Improved Dog Park Coming to Hardeeville

The community of Hardeeville has expressed their need for an improved dog park and your Parks, Recreation and Tourism Department listened. Here at the City of Hardeeville, we are working on a brand new safe place for our four legged family members. There is going to be places for small, large and senior dogs. There will also be shade for the fur parents along with awesome place to sit and watch your dog get all that energy out.

Basketball Court Cover & Resurfacing

Our beloved basketball courts are going to be awesome. The City of Hardeeville has seen the love for our courts, so we are going to add a shelter over the courts! We are also getting the courts resurfaced! This is going to make the City's courts the place to be.
